5th-6thOctober 2016, Riddel Hall, Belfast

Northern Ireland's Precision Medicine Capability in a Global Context

5th October: Part 1: Northern Ireland Capability Showcase

Time	Description	Delivered By	Location
16.00	Registration & App Download Guidance	ABPI Events Team - Reception	Reception
16.45	Welcome	Colette Goldrick, Director ABPI Northern Ireland	Conference Room
17.00	Opening Address	Mrs Michelle O'Neill, Minister of Health	Conference Room
17.30	Introduction	Professor Tony Bjourson, Director Biomedical Sciences Research Unit, Ulster University (UU) / Professor Christopher Elliott, Pro Vice Chancellor Biological Sciences, Queen's University Belfast(QUB)	Conference Room
18.00	<i>Showcasing Northern Ireland's Indigenous Precision Medicine Capability Spectrum - Introduction & Discussion</i>	Chair Professor Ian Young, Northern Ireland Chief Scientific Adviser	Conference Room
18.15	Showcase 1: Critical Care Study	Professor Danny McAuley , QUB Centre for Infection and Immunity/ Dr Murali Shyamsundar, Medicshub / GSK representative (tbc) – Conference Room	Conference Room
	Showcase 2: Haematuria Biomarker Study (HaBio)	Dr Mark Ruddock, Team Leader, Randox (tbc)/Representative from SE HSC Trust / Dr Kate Williamson, Chief Investigator, HaBio, QUB (tbc) - Conference Room	Conference Room
	Showcase 3: Data Analytics - Exploristics and GSK	Dr Aiden Flynn, CEO Exploristics / GSK representative (tbc) - Conference Room	Conference Room
19.15	Drinks Reception		Glass Corridor
19.45	Seated for Dinner	Speakers: Dr Anne Kilgallen, Deputy Chief Medical Officer (tbc) / Mike Thompson, CEO, ABPI	Courtyard
20.15	Dinner Served		Courtyard

WORKING AGENDA as at 3.8.16

6th October: Part 1 Continued: Northern Ireland Capability Showcase

Time	Description	Delivered By	Location
8.00	Breakfast & Networking		Glass Corridor
8.30	Introduction	Professor Paddy Nixon, Pro Vice Chancellor UU / Professor James McElroy, Pro Vice Chancellor QUB	Conference Room
9.00	<i>Showcasing Northern Ireland's Indigenous Precision Medicine Capability Spectrum Introduction & Discussion, continued</i>	Chair: Dr Maurice O'Kane, Director, NI Clinical Research Network - Conference Room	Conference Room
9.15	Showcase 4: Nurse Led Academic, Business & Clinical Precision Medicine Collaboration in Diabetes	Ms Sharon Carr, Diabetes Specialist Nurse South Eastern Trust and team (tbc)	Conference Room
	Showcase 5: Almac/ CRISPR/Cas9 Gene Editing – From Basic Science to Clinical Applications in Ophthalmology	Dr Andrew Nesbit, Senior Lecturer in Molecular Biology, UU and Dr Graham Cotton, Senior R&D Group Leader, Almac	Conference Room
	Showcase 6: Collaborative Precision Medicine: The MACE (Major Adverse Cardiac Event) Risk Study- Development of tool to predict risk of having a heart attack.	Dr Vicky McGilligan, Lecturer in Stratified Medicine, UU / Dr Aaron Peace, NI Clinical Research Lead, Western HSC Trust	Conference Room
10.15	Coffee Break/Networking		Glass Corridor/ Courtyard

6th October: Part 2: The European Precision Medicine Context – European Alliance for Personalised Medicines (EAPM)

11.00	Introduction to European Alliance for Personalised Medicine (EAPM)	Professor Mark Lawler, Dean of Medical Education, QUB	Conference Room
11.15	EAPM Panel Discussion including	EAPM members plus Dr Virginia Acha, Executive Director, Research and Innovation, ABPI and Dr Shane McKee, Clinical Geneticist, Belfast Trust (tbc)	Conference Room
12.00	Networking/Exhibition showcasing Northern Ireland's precision medicine capability (to include lunch)		Glass Corridor/ Courtyard

WORKING AGENDA as at 3.8.16

6th October: Part 3: – The Global Context: The San Diego Innovation Hub

14.00	Introduction to the San Diego Innovation Hub	Professor David Waugh, Director, Centre for Cancer Research & Cell Biology, QUB	Conference Room
14.15	San Diego Presentation and Panel Discussion	Chair: Steve Orr, CEO Connect at Catalyst Inc Panel to include: Dr Mary Walshok, Founder Member of San Diego Innovation Hub Dr Niall O'Donnell, CEO, RiverVest, San Diego Dr Joel McComb, CEO, Biospyder, San Diego	Conference Room
16.00	Closing Remarks	Representative from the Department for the Economy	Conference Room
